# JAMIA TABLEEGHUL QURAN AND TABLEEGHUL QURAN FOUNDATION

## **Introduction:**

Tableegh-ul-Quran is actually the name of a beautiful combination of blind trust in Allah and firm belief in consistent struggles in the wake of revival of renaissance and development and advancement of Pakistan in the field of education, exhortation and revival, reformation and service to humanity. These all are done to get bestowed by worldly and heavenly rewards from Allah.

## **Target:**

The revival of renaissance is focused with the achievement of goals of reformation, discipline and guidance in all the walks of life. Necessarily, it cannot be undertaken without revolution in: ideology, rectification, exhortation, educational, welfare, social reforms and human resource Management. Ultimately, the aforementioned exertions will result in the establishment of an Islamic Welfare Society and will serve as a cause to achieve willingness of Allah.

## **Objectives:**

1. To highlight the complete concept of a perfect religion, beliefs and pious actions.
2. To propagate the teachings of Quran and Sunnah for the growth of religious and worldly learnings through the establishment of Madaris.
3. To do away the poor conditions of Ummah by inculcating in them hope and revival of grandeur past, so that, they may get courage to fight back the challenges of the age with a new enthusiasm.
4. To enhance the man power for the purpose to meet with the great goal of revival of renaissance.
5. To uplift the unity of the nation beyond the limits of locality, linguistic, family, groups, ethnicity, and politics etc.
6. To run a campaign for the revival of leadership qualities in the Ummah, along with, the arousing of passion of obedience, assistance and discipline.
7. To propagate the true and unfaltering faith in the Ummah with the qualities of positive thinking, patience, clemency and listening to other without losing their temper.
8. To develop sustainable and durable terms with the national and international organizations for empowering the truth and righteousness by bringing together religious movements and organizations, so that, a combined task force may be brought into existence.
9. To utilize all the favourable and conventional resources of Shariah for the propagation of Islam.
10. To exploit all the resources for the prosperity, protection and development of Pakistan.
11. To pay special attention to ideological and spiritual purification of individual and entire Ummah.
